Dear Friend,

After successful fundraisers in New York, Chicago, Dallas, Palm Beach, Nashville and Toronto we are pleased to announce our very first **For the Love of George** event in Los Angeles, CA benefiting the Alzheimer's Foundation of America (AFA) on Wednesday, September 22, 2010 at Guys & Dolls Lounge in West Hollywood.

The goal of this event is to raise awareness for the importance of caregiving and to provide funding resources to local organizations who care for those with the disease and their family. The AFA is a national non-profit organization that focuses on the care component of Alzheimer's disease. Its mission is "to provide optimal care and services to individuals confronting dementia, their caregivers and families through member organizations dedicated to improving quality of life."

**For the Love of George** was created by AFA's Junior Committee in New York, to honor the late George R. Irvin, one of the millions of individuals with Alzheimer's disease and also a grandfather to the committee's founding co-chairs. As the event has grown over the years it has become a tribute not only to George, but to the millions of individuals who have had, or are living with, Alzheimer's disease, their families and caregivers.

**For the Love of George Los Angeles** is organized by the AFA Los Angeles Committee, a group of local executives committed to increasing awareness of Alzheimer's disease and to providing the highest level of care and education to individuals facing this disease. For the Love of George demonstrates the multi-generational impact of confronting Alzheimer's disease. AFA research shows that often two, three or even four generations in a family are seriously impacted by Alzheimer's disease in myriad ways.

We invite you to join us on September 22nd for a cocktail reception, silent auction and a very special live concert performance by Iconique Music Group artist Justyna Kelley!

Please make plans now to attend this very special event with your colleagues and friends. Although it promises to be an exciting event, the real reason we will all be there is to support the efforts of the Alzheimer's Foundation of America. Each person can and will make a difference.

We have enclosed sponsorship information for your consideration. A member of the Los Angeles Committee will be contacting you shortly to discuss sponsorship opportunities, but if you have immediate questions, please contact Jennifer Houghton, AFA's events coordinator at 866.232.8484 x 102 or [jhoughton@alzfdn.org](mailto:jhoughton@alzfdn.org).

**We look forward to seeing you in September!**
